

# Becoming a Master Teacher

It takes perseverance to become a Master Teacher. Here's a look at the process.

## Level 100

Candidates go through three months of foundational coursework in five subject areas.

3 Months

1

Candidates complete in-ratio and out-of-ratio assignments and pass five Level 100 tests to move on to Level 200.

\*Minimum passing score: 80%

2

## Level 200

Candidates earn a pay increase and move on to Level 200 coursework, assignments, and tests

3 Months

3

4

Candidates participate in a two week practicum applying what they've learned so far in each classroom in their learning track.

5

6

## Level 300

Candidates earn another pay increase and move on to Level 300 self-reflection, action planning, evidence collection, and the Final Exam.

3 Months

Upon passing the Final Exam with a score of 80% or higher, candidates earn a third pay increase and become a Certified Master Teacher. Certified Master Teachers take on additional coaching and mentoring responsibilities in the school.

*\*Join an elite group of Learning Care Group Master Teachers from across the company to lead children into the 21<sup>st</sup> century. Minimum Education requirement: CDA Credential (inquire about internal CDA Prep Program), AA or BA/BS in Early Childhood related education.*
